Dear Parent/Guardian of 5th Grade Students,

You are approaching the next exciting milestone of your child's life, selecting a middle school that is right for them. We proudly offer two exciting magnet programs, **MIX (Multimedia Industry Experience)** and **STIR (Science Technology Imagineering Robotics)**. These programs will help develop each child's academic, technological, social, physical, and emotional potential in a supportive/collaborative environment that creates lifelong learners. Our student body is comprised of over 475 students, leading to a low teacher-student ratio which allows for a personalized educational experience.

We would like to highlight some of our accolades:

- A School of Distinction since 2015
- VEX IQ Arts Divisions Champions
- Magnet Schools of America School of Excellence
- Silver STEM School
- Ranked amongst the top 5% of Magnet Programs Nationally
- 4th Ranked Wrestling Program in the County
