PAINTING FROM THE HEART ART SHOW

The Painting from the Heart Art Show is a contribution for those who put their lives on the line every day to ensure the health and safety of us all.

Our first responders proudly answer the call! Students were asked to create a painting or drawing that shows their appreciation for these first responders. A total of 16 students participated, and five of the 16 students' artwork were submitted. Their beautiful creations are displayed below:

ATTENTION 8TH GRADE STUDENTS

If you are considering applying to a magnet school, such as Terra, Coral Reef, Southwest, etc., the deadline is fast approaching. You have until January 15, 2021 to file your application. Any applications received after the 15th will not be valid and you will not be able to apply until the next school year. Just go to the Miami-Dade County Public Schools website and you'll see an option that reads "Apply Today." If you click it, you will get the choice between applying online or through mail. You can apply for up to five schools. You can only select one program per school so choose carefully. **MAKE SURE TO PUT IN YOUR APPLICATION AND DON'T BE LEFT OUT!**
