

Keeping Up With Riviera

APRIL FOOLS DAY

April Fool's Day is an annual custom on April 1st consisting of practical jokes. Jokesters often expose their actions by shouting "April Fools!" at the recipient. The custom of setting aside a day for playing harmless pranks upon one's neighbor has been historically relatively common.

SIBLINGS DAY

April 10th is a national holiday known as Siblings Day and is celebrated in Australia, India, Spain, England, the US, and Portugal. It was made as a day to celebrate the bond of siblings. Claudia Evert, the woman who made it a U.S. holiday, started a foundation for this day. Her inspiration for the creation of this day was the loss of her two siblings.

THE FSA IS ON ITS WAY

FSA testing is getting closer each day. We hope all of our RMS students are getting prepared and ready to take the upcoming tests. While the dates are not yet confirmed, we are expected to have the Writing FSA after spring break. Further dates will be announced soon. As always, we will test our 6th graders first, then 7th, and finally 8th graders. As for our MSO students, you are expected to fill out a form with your parents' permission to indicate that you are coming to the school. We believe in the capabilities of our Riviera Rams and we know you will all pass. Best of luck and do your best!

George Harman also known as Babe Ruth Jr. was born February 6, 1895 and was a professional American baseball player. He had a career in Major League Baseball that spanned 22 seasons. He was so good at baseball that they nicknamed him "The Bambino" and "The Sultan of Swat." April 27th is Babe Ruth Day.
