

## 2021-2022 Subject Selection

Student Last Name

Student First Name

ID#

Students will take one course from each core area listed below and two additional electives. I understand that the administration will attempt to assign the electives chosen, but that they are not guaranteed. The administration has the right to make changes in student's schedule and holds the final decision in the courses assigned. Students will take a required reading class in place of an elective based on the results of the Florida Standards Assessment (FSA).
